

## On The Club Calendar

As we continue to keep members abreast of club development, here are so dates on the calendar, you must keep in mind.

**Saturday March 21 - Fellowship Evening** - Rtn Ossie and his wife Shirley are opening up their home to Rotarians next week Saturday evening for **Beer Vibes**. It that the right 'beer'. It is our evening of get together, starting at 7 pm until. So don't miss it.

**Installation Planning Starts** - Chairman Hilary and his committee continue their meetings with another on Tuesday, March 17 at SCR. Date for this year's installation is July 03, and the ticket price is set at \$4,500 per person. We know Rtn Hilary our longest serving Installation Banquet Chairman takes this job seriously and we can expect nothing but the best as we plan to welcome our new administration.

**Friday March 27 - Breakfast with a Leader**. Our support for the Rotary Leadership Initiative will see club providing meaningful opportunity for young people in the Breakfast with a Leader initiatives. We are also along with the Rotaract Club of New Kingston to identify nominees for the upcoming Rotary Youth Leadership awards.

The guest speaker for next week is Mr. James 'Jimmy' Moss-Soloman, Business Executive / Private Sector Leader.

## RI News

### Rotarians help reignite Nigeria's end-polio effort

Rotarians in Nigeria are playing a key role in their country's revitalized battle to become polio-free, including helping to overcome resistance from families who are against having their children immunized. During Immunization Plus Days (IPDs) held 31 January-3 February, a community in Nasarawa State initially refused vaccination efforts because the government hadn't removed garbage from a local dump. "In order to get the kids immunized, I promised to clear the site personally, if they allowed us to carry out the immunization, and they agreed," said Chuks Anthony Anyigbo, a member of the Rotary Club of Lafia City. "I partnered with the state urban development board, [and] they gave me a truck with a few staff. I paid for logistics and laborers, then mobilized some Rotarians and youth to clear the site." When families in a group of settlements in Katsina State opposed immunization, Rotarians immediately helped conduct a community dialogue. Residents said they would not allow their children to receive the oral polio vaccine because other pressing needs -- health care, clean water, and education -- weren't being met. Local officials addressed these issues at a subsequent meeting, resulting in 120 children being immunized with the residents' consent.

## Inspiration Quotation

### Food For Thought

The future belongs to those who believe in the beauty of their dreams. Roosevelt, Eleanor  
Dream is not a revelation. If a dream affords the dreamer some light on himself, it is not the person with closed eyes who makes the discovery but the person with open eyes lucid enough to fit thoughts together. Dream- a scintillating mirage surrounded by shadows- is essentially poetry.
