Rotary Leadership Training -November 15 & 16

This is your opportunity to prepare for leadership service in Rotary beyond the level of the club, which is the extent to which most Rotarians wish to rise. Without the expense of airfares, and a subsidised registration fee of US\$65.00, you will be able to get up to date with your Rotary knowledge and prepare yourself for assuming service at a higher level. PP Dennis is marshaling this RLI training seminar which will take place at the Mona Visitors' Lodge. Let's ensure a strong New Kingston participation.

All Out For Polio

Driven by compassion, commitment and courage, members of the Rotary Club of Peshawar, Pakistan, have helped immunize children in one of the most remote and dangerous parts of the world in the continuing effort to make the country polio free. Members of the club took part in the country's Sub-national Immunization Days, reaching children in a federally administered tribal area in North-West Frontier Province near the troubled Pakistani-Afghan border. Before the immunization campaign, "a social mobilization workshop was arranged for the tribal elders and youths. A polio awareness walk was conducted in the area to make sure of the efficacy of social mobilization for polio vaccination."

Hearty Welcome New Member

We join this week in extending a hearty New Kingston welcome to new Rotarian Lloyd Butler, who was inducted last week. Rtn Lloyd (now we will have to say 'Lloyd the younger') given that we have another Lloyd in the club, was recommended by Secretary Godfrey. Let us all ensure our new member hits the ground running as far as Rotary service is concerned. Have a wonderful Rotary journey, Rtn Lloyd. Welcome!
